Leanne Hildebrand joins Construction Systems Inc. as Project Estimator

COLUMBUS, Ohio – January 8, 2008 – Construction Systems Inc. (CSI) recently hired Leanne Hildebrand as project estimator.

In this new position, Hildebrand will be responsible for quantity take-offs, estimating, and project management services for CSI's commercial construction projects. Hildebrand will handle projects from pre-construction throughout the construction phase, working with general contractors and construction management personnel to ensure timely submittals and work completion.

Hildebrand brings more than 20 years of construction industry experience to CSI, having previously held positions in estimating, project management, operations, and safety. Hildebrand holds state and national EMT certifications and the OSHA 10-Hour Certification. She has also earned a Paralegal Certification from Ohio Dominican College.

About Construction Systems Inc.

Construction Systems Inc. (CSI) is a commercial general trades and specialties subcontractor, and a leading facilities renovation contractor. CSI serves central and southeastern Ohio from its headquarters in Columbus Ohio. CSI self-performs general trades work, and with 110 employees, CSI is one of Central Ohio's largest employers of skilled craftsmen. Celebrating its 40th anniversary in the building industry, CSI has completed over 12,000 projects and worked in hundreds of buildings in central Ohio. For more information about any of CSI's service offerings, projects or company contacts visit www.ConSysOhio.com or call 614-252-0708.
