

Partners in Building Solutions

Debra Kidwell
*Accounting and
Administration*

Responsibilities and Areas of Expertise

Debra is responsible for human resources and benefits coordination, payroll administration, accounts receivable and contracts, and workers compensation and unemployment compensation reporting.

Debra joined CSI in 2001 after having served in assistant controller, customer service management, and administrative supervisory roles. With more than 20 years of experience in accounting, Debra provides an important link to CSI field employees by ensuring seamless delivery of their available benefits.
