

**Matt Greenwood,**  
**LEED AP**  
*President*

### ***Responsibilities and Areas of Expertise***

As President of Construction Systems Inc. (CSi), Matt oversees operations, scheduling and management of CSi's manpower and equipment, and all facets of the business including accounting, banking and finance, insurance, bonding, safety, administration of CSi's benefit program, and employee recruitment, retention and training.

In addition to his management responsibilities, Matt supports new business development activities and serves in leadership roles for industry associations.

Matt joined CSi in 2000 as an assistant to the vice president. He quickly advanced to estimating and project management positions where he developed expertise with exterior wall systems and interior renovations. Matt's project experience includes a diverse portfolio of in-patient medical facilities, medical office buildings, commercial offices, collegiate sports facilities, warehouses, and corporate headquarters.
