FOR IMMEDIATE RELEASE

Bill LePera joins Construction Systems Inc. as Project Manager

COLUMBUS, Ohio – May 10, 2007 – Construction Systems Inc. recently hired Bill LePera, as project manager.

In this new position, LePera will be responsible for estimating, scheduling and project management services for CSI commercial construction projects. He will ensure project expectations of time, cost and quality are consistently met.

LePera will handle a variety of projects in varying stages of pre-construction and construction, and interface with property owners and facility managers on a regular basis.

“We have known Bill for more than 15 years and aware of his strong construction background and attention to detail. Bill’s level of expertise and his professional style fit well in the CSI organization. We are pleased he chose to join us,” said JD Flaherty, Jr., President of Construction Systems Inc.

LePera’s professional history includes over 30 years in the commercial construction industry, including most recently 13 years at a local construction services company in Dublin. He joined the company because of CSI’s reputation for getting the job done and for doing it right.

About Construction Systems Inc.

Construction Systems Inc. (CSI) is a commercial general trades and specialties subcontractor, and a leading facilities renovation contractor. CSI serves central and southeastern Ohio from its headquarters in Columbus Ohio. CSI self-performs general trades work, and with 110 employees, CSI is one of Central Ohio's largest employers of skilled craftsmen. Celebrating its 40th anniversary in the building industry, CSI has completed over 12,000 projects and worked in most of the buildings in the Columbus skyline. For more information about any of CSI's service offerings, projects or company contacts visit www.ConSysOhio.com or call 614-252-0708.
