**CSI's Denny Bauders Elected President of Construction Financial  
Managers Association, Central Ohio Chapter**

COLUMBUS, Ohio – July 21, 2008 – Denny Bauders, Chief Financial Officer of Construction Systems Inc. (CSI) has been elected President of the Central Ohio Chapter of the Construction Financial Managers Association (CFMA).

CFMA is the only organization dedicated to the specific needs of construction financial professionals and service providers. CFMA membership includes financial professionals from general contractors, subcontractors, developers, construction managers, architects, engineers, principals, and material and equipment suppliers. The Central Ohio Chapter has 75 members.

As CSI's Chief Financial Officer, Bauders is responsible for all aspects of administration, accounting, finance, banking, insurance, group health, workers' compensation and employee benefits. He also serves as Safety Administrator. Bauders has 22 years of experience in financial management, holds a Bachelor of Arts in Accounting from Ohio University, and is a Certified Public Accountant.

Bauders will serve a one-year term as CFMA chapter president. JD Flaherty, Jr., CSI President, said, "CSI is deeply committed to professional excellence in all facets of the

construction industry. We are pleased that Denny has been selected as chapter president and fully support his service to CFMA.”

**About Construction Systems Inc.**

Construction Systems Inc. (CSI) is a commercial general trades and specialties subcontractor, and a leading facilities renovation contractor. CSI also serves as the exclusive central Ohio installation contractor for Haworth TecCrete raised flooring products. CSI serves central and southeastern Ohio from its headquarters in Columbus Ohio.
