MEDIA RELEASE

Tim Faherty of Construction Systems Inc. Graduates from The Rising Leaders Institute

COLUMBUS, Ohio – January 9, 2010 – Tim Faherty, vice president of Construction Systems Inc.'s Specialties Division, recently graduated from the Builders Exchange's 2009 Rising Leaders Institute (RLI). RLI is an intensive, 12-session program focused on building management skills and business knowledge of high potential individuals, and preparing them to serve as the future leaders of the construction industry.

The RLI curriculum was developed for the Builders Exchange by The Ohio State University Fisher College of Business and the sessions are taught by OSU faculty members. The program includes classroom lecture, discussion, case studies, projects for application learning and networking events. Only 26 participants were accepted into the 2009 class of the leadership program.

Participants in the Rising Leaders Institute are required to have a champion from their company, a manager who acts as their mentor throughout the program. Faherty's mentor is J.D. Flaherty, president/owner at Construction Systems, Inc.

Faherty is the second CSI manager to graduate from the Rising Leaders Institute.

About Construction Systems Inc.

Construction Systems Inc. (CSI) is a commercial general trades and specialties subcontractor, and a leading facilities renovation contractor. CSI also serves as the exclusive central Ohio installation contractor for Haworth TecCrete™ raised flooring products. CSI serves central and southeastern Ohio from its headquarters in Columbus Ohio. CSI self-performs general trades work, and with 110 employees, CSI is one of Central Ohio's largest employers of skilled craftsmen. With more than 43 years in the building industry, CSI has completed over 12,000 projects and worked in hundreds of buildings in central Ohio. For more information about any of CSI's service offerings, projects or company contacts visit www.ConSysOhio.com or call 614-252-0708.
