MEDIA RELEASE

Zach Poczik Promoted to Project Manager for Construction Systems Inc.

COLUMBUS, Ohio – January 2, 2011 – Construction Systems Inc. (CSI) is proud to announce the promotion of Zack Poczik to full time project manager and estimator with CSI's Facilities Group.

Poczik has worked part-time with CSI since 2005 while attending college. His positions included hands-on job site experience, warehouse management, fleet management, and project management. Poczik completed an Associate Degree in Construction Management from Columbus State Community College in 2010 and is pursuing a Bachelor of Science in Business Administration from Franklin University.

As project manager, Poczik is responsible for project development, budget pricing, and oversight from project initiation through completion for the renovation of medical, institutional and commercial facilities. He is a member of the Associated General Contractors of Central Ohio and the Builder's Exchange of Central Ohio.

About Construction Systems Inc.

Construction Systems Inc. (CSI) is a commercial general trades and specialties subcontractor, and a leading facilities renovation contractor. CSI also serves as the exclusive central Ohio installation contractor for Haworth TecCrete™ raised flooring products. CSI serves central and southeastern Ohio from its headquarters in Columbus Ohio. CSI self-performs general trades work, and with 110 employees, CSI is one of Central Ohio's largest employers of skilled craftsmen. With more than 45 years in the building industry, CSI has completed over 12,000 projects and worked in hundreds of buildings in central Ohio. For more information about any of CSI's service offerings, projects or company contacts visit www.ConSysOhio.com or call 614-252-0708.
