David Lake Joins Construction Systems Inc.

Columbus, Ohio – February 16, 2012 – Construction Systems Inc. (CSI) is pleased to announce that David Lake has joined the company as project manager with the Facilities Group.

As project manager, Lake is responsible for estimating, budgeting, scheduling and management of general trades construction and renovation projects for commercial office buildings and corporate facilities.

Lake has 20 years of experience in the commercial construction industry including over 15 years with commercial drywall and carpentry companies.

Lake is a member of the Associated General Contractors of Central Ohio and the Builders Exchange of Central Ohio. He studied Construction Management at Columbus State Community College and has completed OSHA 10-Hour and OSHA 30-Hour courses.

About Construction Systems Inc.:

Construction Systems Inc. (CSI) is a commercial general trades and specialties subcontractor and a leading facilities renovation contractor. CSI serves central and southeastern Ohio from its headquarters in Columbus, Ohio. CSI self-performs general trades work and is one of central Ohio's largest employers of skilled craftsmen. CSI has completed over 13,000 projects and worked in most of the buildings in the Columbus skyline. For more information about any of CSI's service offerings, projects or company contacts visit www.ConSysOhio.com or call 614-252-0708.
