Architect Rocky Gaal Joins Construction Systems Inc.

Columbus, Ohio – February 2, 2014 – Construction Systems Inc. (CSI) is pleased to announce that Rocky Gaal has joined the company as Project Manager and Registered Architect.

As a Registered Architect with extensive design, construction management, construction administration, and facility management experience, Gaal brings an exceptionally valuable perspective and skill set to his role as CSI Project Manager and Construction Manager for the CareConnect Deployment in OhioHealth facilities in Columbus, Westerville, Dublin, Grove City, Hilliard, Delaware and Marion.

*Rocky Gaal,
Registered Architect*

Gaal has 39 years of design, team leadership and construction experience on hospital, medical office building, and commercial building renovation, addition and new-build projects. His responsibilities will include managing engineering and architectural design services, client relations, project work plan, construction budgets, design team and construction schedules, manpower needs, quality assurance/quality control, document approvals and permits, and project close-out.

Gaal is a Registered Architect in Ohio and Indiana and is also National Council of Architectural Registration Boards (NCARB) certified. Gaal is a LEED Accredited Professional and earned the Certified Facility Manager® (CFM®) designation from the International Facility Management Association (IFMA).

Gaal earned his Bachelor of Science in Architecture, cum laude and Master of Architecture from The Ohio State University. He received the Howard Dwight Smith Award and was a member of the Phi Eta Sigma National Honor Society.
