Matt Greenwood Promoted to General Manager of Construction Systems Inc.

January 7, 2016 – Columbus, Ohio – JD Flaherty, Jr., President of Construction Systems Inc. (CSI), is pleased to announce that Matt Greenwood, LEED AP, has been promoted to General Manager. Greenwood previously served as CSI's Operations Manager for six years.

In his role as General Manager, Greenwood oversees CSI's facilities renovation and specialties installation work including daily scheduling and management of CSI's manpower and equipment. He is involved with all facets of business management including business development, marketing, finance and accounting, human resources, safety, and employee recruitment, retention and training.

Greenwood joined CSI in 2000 and has held positions in estimating, project management and operations management. His project experience includes in-patient medical facilities, medical office buildings, commercial offices, collegiate sports facilities, warehouses, and corporate headquarters.

Greenwood is a graduate of The Ohio State University and the Builders Exchange of Central Ohio Rising Leaders Institute. He is a LEED Accredited Professional through the Green Building Certification Institute. Greenwood is currently enrolled in the Builders Exchange Executive Leadership Experience at OSU's Fisher College of Business.

Greenwood is an active member of the Associated General Contractors of Central Ohio and the Builders Exchange (BX). In 2015 he served on the BX Nominating Committee and has judged the BX Craftsmanship Awards for the past several years.
