Randy Swoyer Retires After 22 Years with Construction Systems Inc.

September 23, 2016 – Columbus, Ohio – Construction Systems Inc. announces the retirement of project manager Randy Swoyer after 22 years of service.

“Randy has been a valued employee for 22 years and made many contributions to CSI’s Specialties division over those years. His unique background in electrical and carpentry trades, along with years of estimating and project management experience, served our clients well in the complex area of Specialties,” said JD Flaherty, Jr., President of Construction Systems Inc.

Randy commented that he will miss his friends and associates at CSI, but not the two hours of driving each day between Circleville and Columbus.

About Construction Systems Inc.:

Construction Systems Inc. (CSI) is a commercial general trades and specialties subcontractor and a leading facilities renovation contractor. CSI serves central and southeastern Ohio from its headquarters in Columbus, Ohio. CSI self-performs general trades work and is one of central Ohio's largest employers of skilled craftsmen. CSI has completed over 15,000 projects and worked in most of the buildings in the Columbus skyline.
