Michael Starkey Named CSi Safety Coordinator

February 21, 2018 – Columbus, Ohio – Construction Systems Inc. (CSi) is pleased to announce that Michael Starkey has been named Safety Coordinator for the employee-owned commercial construction contractor.

Starkey's new responsibilities as Safety Coordinator include overseeing and updating company safety programs to minimize risk of accident and injuries, maintaining compliance with safe practices and reports, and helping foster a safety-first company culture.

Starkey also leads CSi's compliance with reporting and submission of current insurance documents, safety programs, and incident rates to ISNetwork and Avetta, two global contractor and supply chain firms that assist corporate buyers of commercial contracting services with the prequalification and risk management of contractors and suppliers.

Starkey will continue to serve as a Project Manager for CSi's Facilities Group where he is responsible for project estimating, scheduling, and oversight of renovation projects in commercial, institutional and medical facilities.

Starkey joined CSi in January 2017 as Logistics Assistant and helped support CSi's renovation and construction crews by scheduling deliveries and coordinating the movement of materials, equipment and tools. Starkey came to CSi with two years of construction management experience where he led two- to eight-person crews performing hotel renovation projects.

Starkey earned a Bachelor of Specialized Studies in Project Engineering and Management with a Minor in History and a Certificate in Entrepreneurship from Ohio University.
