Dave Soppe Joins Construction Systems Inc. as CFO

January 31, 2018 – Columbus, Ohio – Construction Systems Inc. (CSI) is pleased to announce that Dave Soppe has joined the employee-owned company and will serve as Chief Financial Officer (CFO) of the organization.

Soppe will manage all accounting, financial planning and analysis, treasury, tax, risk management and human resources functions. He will also provide financial guidance, with respect to strategy and operations, to senior management.

Soppe has 30 years of accounting and financial management experience for local, national and global enterprises involved in manufacturing and distribution. His past work includes many successful process improvement initiatives and projects that resulted in lower costs, enhanced client services, streamlined reporting, and improved employee retention and benefits.

Soppe earned a Master of Business Administration in Finance (MBA) from Indiana University and holds a Bachelor of Science in Accounting from Miami University. Soppe also earned the Certified Professional Accountant (CPA) designation.

About Construction Systems Inc.:

Construction Systems Inc. (CSI) is an employee-owned commercial general trades and specialties subcontractor and a leading facilities renovation contractor celebrating its 50th anniversary year. CSI serves central and southeastern Ohio from its headquarters in Columbus, Ohio. CSI self-performs general trades work and is one of central Ohio's largest employers of skilled craftsmen. CSI has completed over 16,000 projects and worked in most of the buildings in the Columbus skyline. For more information about any of CSI's service offerings, projects or company contacts visit www.ConSysOhio.com or call 614.252.0708.
